Purpose: COA Parks and recreation for the playground proposed by JK Willis

As Co-President, on behalf of members of FOMP Friends of Mozley Park, I support this proposed playground by JK Willis. The overall project and final proposal received unanimous support during our November meeting. We ask the City Department of Planning and the Department of Parks and Recreation to give Spread Kindness the approvals they need to complete the project. Spread Kindness has worked closely with all the Community Stakeholders, Friends of Mozley Park, and Mozley Park Neighborhood Association to create a design that engages youth in an inclusive and say way. I am willing to support the Spread Kindness initiative as necessary to help push the project forward.

Sincerely,

Pandora C. McMurray
