Purpose: This Letter is in Support of the new proposed Playground in Mozley Park.

As Chair, on behalf of members of NPU K, I support this proposed park designed by Kind Hearts Community Inc. The park proposal received full support at the January 2023 NPU-K meeting. We ask the City Department of Planning and the Department of Parks and Recreation to give Kind Hearts Community Inc. the approvals they need to complete the project. Kind Hearts Community Inc. has worked closely with all the Community Stakeholders including the Friends of Mozley Park, Mozley Park Neighborhood Association, and the Historic Hunter Hills Neighborhood Association, and members of the NPU-K community to create a design that captures the history and future of Mozley Park. I am willing to support the Kind Hearts Community Inc. initiative as necessary to help push the project forward.

Sincerely,

Dr. Jasmine Hope, NPU K
